[Intro: Little kids singing]

[Verse 1: Maino]

Yo, I'm from where, you might not make it to see 25

Get the wrong judge? You might see 25

It hurts here - hard to sleep through nights

Need a gun & a good set of eyes just to get through life (damn)

From where dudes stand around the corners & pump rocks

To make it off the street, all depends on your jumpshot (word)

The drugs, the fiends, the pimps, the hoes

& what you call the slums, I call home (I'm home)

The funerals, the tears, little girls with kids

The murals of the friends that we lost through the

years (we miss you)

Kids can't learn 'cause school is overcrowded

But they got cells for 'em though they say it's

overcrowded (it's crazy)

I can't lie, take a look around, it's hell here (it's hell

But somethin' keeps me grounded 'cause Lord I'm still

here (I'm here)

The love I feel is hard to explain

I could live anywhere but nothing's the same as

[Chorus: Maino (little kids)]

(My hood) everything ain't peaches & cream in (my

hood)

Even though it ain't much it's (my hood)

Take a look what you seen in (my hood)

'Cause I ain't gon' ever give up on (my hood)

Maybe I'm just too stuck in (my hood)

'Cause I ain't gon' turn my back on (my hood)

Come through, I get love from (my hood)

'Cause I'm gon' always come back to (my hood)

[Verse 2: Maino]

Where I seen my man die in front of me (Curtis!)
Seen my pops get high right in front of me
Cops said somebody said I had a gun on me
I guess that's why they keep me while I had the cuffs on me

Around here ain't no hope for each other
'Cause up the block somebody sold dope to my mother
Please tell me how we 'posed to recover
When them gunshots touch more people than them
songs from Usher (yeah)

And it don't help seein' all my men get burried We should've RIOT when them pigs killed Timothy Stansbury

Everybody's on parole or probation
Or on the run or just caught court cases
Hustlers & con artists & narc faces
On the same strip chickenheads is car chasin' (what up?)

Deep down, know it's a better place to be But still, I can't seem to get myself to leave

[Chorus: Maino (little kids)]

[Verse 3: Maino]

You might just speak with a different slang But 'round the world every hood is the same (the same) The dice games, the projects, the cars, & the corner stores

The barber shops, weed spots, & the liquor stores (yeah)

Niggas bring them bikes out in the summer time (haha!)

The hood is a bitch but dawg, she's fun at times (uh huh)

Everybody plays ball or they tryna rhyme
My homie just came home for the hundredth time
At night time mami, get yo' kid (whoa)
'Cause when them shells start flyin', don't let 'em hit yo' kid

Petty thieves & stick-up kids, drug businesses Sluts suck any dick they get (oh) Young girls with men names tattooed on 'em With all this AIDS & shit, can't go raw in 'em

Look dawg, my son is my life, when I'm done with my life

The only place that I'd rather die is

[Chorus: Maino (little kids)]
