Play the game 4 quarters
Yeah I keep it one hundred
Play the game 4 quarters
Yeah I keep it one hundred
Play the game 4 quarters
Yeah I keep it one hundred
Play the game 4 quarters
Yeah I keep it one hundred
Real recognize real, recognize real, real recognize real
Real recognize real, recognize real, real recognize real
Real recognize real, recognize real, real recognize real
Real recognize real, recognize real, real recognize real
Real recognize real, recognize real, real recognize real
Real recognize real, recognize real, real recognize real
Real recognize real, recognize real, real recognize real
Real recognize real, recognize real, real recognize real
Real recognize real, recognize real, real recognize real

The whole truth
Nutin but it
Ben Franklin my witness
Boy i keep it one hundred
So if i say i ain't playing
Ain't no flageing or frontin
I go the ball
I cut my legs off
Before i punt it
Bruh said that we played fake
I don't know where he heard that
Probably met some pulpit pimp
With a permament cadilac
No i ain't like him mayne
No i am not perfect dawg (?)
But even when i fall
I know CHRIST paid it all
And i Preach that
Only Hope
So i teach that
Co-signed by that boy Lecrae
So i guess you say that i reached that
I'ma try to live what i talk about
Until they put my coffin out

And if I'm wrong i call it out
So you can see what my GOD about
I don't want you to think that I'm perfect
I just want you to see the LORD is worth it
All i got is HIS Grave and Mercy
And guess what boy i don't deserve it

Play the game 4 quarters
Yeah I keep it one hundred
Play the game 4 quarters
Yeah I keep it one hundred
Play the game 4 quarters
Yeah I keep it one hundred
Play the game 4 quarters
Yeah I keep it one hundred
Real recognize real, recognize real, real recognize real
Real recognize real, recognize real, real recognize real
Real recognize real, recognize real, real recognize real
Real recognize real, recognize real, real recognize real
Real recognize real, recognize real, real recognize real
Real recognize real, recognize real, real recognize real
Real recognize real, recognize real, real recognize real
Real recognize real, recognize real, real recognize real

Aye ya'll so unfamiliar
I ain't never seen you bro
And where you say I know you from?
And who you say, you know i know ?
It's one thing i can't take
A flage and a fake
When it come to FAITH
And i ain't flawless
Ain't the standard
But I'ma sho nuff be a living example
Ol' Sain'ts came in and laid the tracks
Blood, sweat and tears, skin off they backs
These new cats here tryna ride the train
Folks hopping on telling lies and things
Trying to derail
With false details
Everybody looking like we fail
I seen your kind for a long time
You fake gucci no retail
Ya'll don't fool me with empty rhymes
Preciate words, preachy lines
Everybody here been made homie
Can't nobody vouch for your life in grind
Who discipled you?
Where you serving mayne?
What ya reading bruh?
What ya learing mayne?
