(feat. August)

A-a-a-august,
Boy-wonder

[August:]

Now if you recognize real we'll recognize you,
Now what you gonn do when the storm come through,
(when the day come baby, you better be ready,)
Or you might just get blown away..
Cos this is it yeah,
It's survival of the fittest
So you better be and mind your business
'Cause baby nothin' else matters
You gotta be you and keep doin' what you do so
Hustle hard, hustle hard, hustle hard yeah yeah [3x]
Hustle hard

[Maino:]

MAINO (yeah)
This is what it is (is), I get it how I live, (live)
Imma grind hard the only way for me to live (live)
Got hustle in my veins (veins), I feel it in my bones
(bones),
I came in this game with crack money in my clothes
(oh),
Look at how I roll so on truth no actor (no), just a real
nigger, never said I was a rapper (no),
Critics see the dick the single still went platinum,
If you don't say that's hustlin' then whatchu call that
then,
Call it whatchu want, but tell me whatchu seein,
My money getting stronger, my cars is European,
The woman that you love the same women that I peein,
The places that you run from the places that I been,
Imma get a dollar one way or another,
Got the mast up, with a black flag with a rubber,
forever,
Imma hustle hard till they bury me, whatever, only to
the top is where they carry me,

[August:]

Cos this is it yeah,
It's survival of the fittest
So you better be and mind your business
'Cause baby nothin' else matters
You gotta be you and keep doin' what you do so
Hustle hard, hustle hard, hustle hard yeah yeah [3x]
Hustle hard

[Maino:]

Yeahh,
Shooters on deck, so nigger don't test me,
Mach 10 on the back seat of that Bentley,
Duggin' till I die, the ghetto still in me,
I'm the same dude that I was when you met me,
Money on my brain, now look what I became,
I just been tryna get it, don't tell me that I changed,
I came up doing chooksizz, just a young crook then,
Now I'm in the limelight, I'd do it all for Brooklyn,
This is for my comrades, tryna get a mill,
Get dope money, or that weed money or them pills,
I'd show them how it feels, to do it from the ground up,
Back to back Benz's, rio tint that town up,
Look at me I'm ridin', diamonds, hustlin'
Yeah I'm still grindin', strivin', struggling,
Never will I ever go back to that penitentiary,
Lights camera action, my life is a documentary..
Now if you recognize real, we'll recognize you
Now what you gonn do when the storm come through
(When the day go baby, you better be ready)
You might just get blown away..
Cos this is it yeah,
It's survival of the fittest
So you better be and mind your business
'Cause baby nothin' else matters
You gotta be you and keep doin' what you do so
Hustle hard, hustle hard, hustle hard yeah yeah [3x]
Hustle hard

[Maino:]

Don't stop,
If you recognize real we'll recognize you,
I run with gorillas, I was raised in the zoo,
I come from the block, crack rock in my shoe,
I hustle nonstop, I played it by the rules,
Survival of the fittest, if you with it then let's get it,
In the air, its close I can feel it,
Comin' for the riches, I'm startin' get near it,
Everything is phak, can you doubt that I'm the realest?

[August:]

Now if you recognize real we'll recognize you,
Now what you gonn do when the storm come through,
(when the day come baby, you better be ready,)
Or you might just get blown away..
Cos this is it yeah,
It's survival of the fittest
So you better be and mind your business
'Cause baby nothin' else matters
You gotta be you and keep doin' what you do so
Hustle hard, hustle hard, hustle hard yeah yeah [3x]
Hustle hard
