[Verse One]

I'm fresh, I'm fly, bad bitch in my ride

Got a different industry chick all in my mind

I'm calm, I'm hood, ev'rything all good

When I'm finished with you you can call me Tiger Woods

Yeah! Trina, Kim Or Nicki, Trina, Kim Or Nicki

She smile she comin with me if she with it then she text me

And I bet ya she won't diss me when I'm hopin out that Bentley

She see me and then she kiss me made my old bitches miss me

Now, Trina that's a bad one (Uh) I'll take 'em gold or platinum (Yep)

I used to pick up Nicki when I had the Silver Magnum

I ain't lyin I ain't stuntin (Nah) I do it like it's nothin (Uh)

The media they used to say that me and Kim was humpin

I'm a G, I'm a rider, a thug wearin Prada

You niggas think I'm playin till I pop up with Rihanna

If she cute I'm a find her, she giggle then I got her

I used to want Mya now I'm on Zori Sedona

[Chorus]

Trina, Kim Or Nicki, Trina, Kim Or Nicki, Trina, Kim Or Nicki

Which one is comin with me?

Trina, Kim Or Nicki, Trina, Kim Or Nicki, Trina, Kim Or Nicki

Which one is comin with me?
