I believe yes I, I do believe anything I put my mind on I  
promise to achieve I would,  
Got help me please get me closer to my dreams I got  
all of the courage that I need to succeed  
They said I wasn't good enough my right it was a  
mearicle they said I wouldn't make it said my actions  
was too criminal but now they gotta, swallow the world  
on my woobabuta bitches clearer, cause now you  
starring at a mearicle  
What they didn't know it I win out before I give up, and  
I'm a fighter, you knock me down i'ma get up  
Giving it my all, till I'm gone, no one left, I'm a frait  
train on a collision close to success, yes!

Chorus

Verse 2

Strong and confident, blind heartedness, from the  
deapths of hell, look at my accomplishments  
I got fears too but I just never give into them  
I hear these haters talk and I just never listen to them  
I'm unstoppable, fuck it I convince myself  
So invincible, I was made of something else  
It's not a bridge I can cross not a road I can walk not a  
cell like my homie I aint lost  
Never looking down, always keep my head up in the  
sky, baby listen to me you can only fail if you don't try  
I'm a champion, spirit of a winner of my kind, I can,  
prolly do anything I put that in my mind

Chorus

verse 3

How I feel like, I'm a man of skill I'ma go on out break  
steel rolling down hill unstoppable, still going failure's  
never optional, never back down baby anything is  
possible, never givin up never foe never break never  
bow down still shine on my doggies day I believe in  
myself, even if you don't agree  
I'm living proof that anything can happen. If you dream
