When I can't walk, will You carry me?
When I can't stand
Will You take me by the hand
And pick me up right where I am?

You are the only one for me
The look in Your eyes is all that I need
And this world can offer anything
But they can keep it all
'Cause You're the only one for me
You're the only one for me

When I feel lost, will You stay with me?
When I can't go on
Lord, Your grace, it picks me up
And makes me strong
I know this is love

'Cause You are the only one for me
The look in Your eyes is all that I need
And this world can offer anything
But they can keep it all

If You asked me to give up everything that I have
You know I would
Go to the ends of the earth just to show You
That You are the only one for me

And this world can offer anything
But they can keep it all
They can keep it all

'Cause You are the only one for me
The look in Your eyes is all that I need
And this world can offer anything
But they can keep it all

'Cause You're the only one for me
You're the only one for me
You're the only one for me
