"To The Water"

Visit "[To The Water](#)" on MotoLyrics.com

Yaweh, look on me now
Clouded, the sky I see
Make my eyes crystal clear
Walk with me to the water.

Tabhair domh do I?mh
Tabhair domh do I?mh
Tabhair domh do I?mh
(Give me Your hand)

Yaweh, You gave me love
Cradle this flame above
Rest Your hands upon my head
Lead me down to the water

Tabhair domh do I?mh
Tabhair domh do I?mh
Tabhair domh do I?mh
(Give me Your hand)

Yaweh, make me Your stream
Place me inside Your dream
Touch my mouth, softly call
Take me out to the water

Tabhair domh do I?mh
(Give me Your hand)
