No heart hangs
Is fada mo shÃ©ile ort
On distant water
Thug mÃ© isteach duit
What enchantment lies
Tusa mo mhian
In this world?

Chorus:
Is fada mo shÃ©ile ort
Thug mÃ© isteach duit
Tusa mo mhian
Tusa mo mhian
(My eyes long for you
I gave in
You are my desire
You are my desire)

I wander westward, my heart desires
With seas alive
Shadow me under the mountains of time
Guide me to endless paths

No tear falls
Is fada mo shÃ©ile ort
On stony highways
Thug mÃ© isteach duit
That skyline splendor
Tusa mo mhian
Lights my life

(Chorus)

We wander westward, our heart's desire
With seas of light
Shadow us under the mountains of time
Guide us to endless paths
