Bá Thusa mo shúile  
A Rá mhár na ndáil  
Láon thusa mo bheatha  
Mo chadfa's mo stuaim  
Bá Thusa i m'aige  
Gach oíche's gach lá?  
Im chodladh ná im dháiseacht  
Láon má le do grá  
(Be thou my vision  
Oh King of creation  
Fill my life  
With understanding and patience  
Will You be in my mind  
Every night and everyday?  
Sleeping or awake  
Fill me with Your love)

Bá Thusa mo threor  
Imbriathar is imbeart?  
Fan thusa go deo liom  
Is coinnigh má ceart  
Glac cáram mar Athair  
Is áist le mo ghuá  
Is tabhair domsa áit cána  
Istigh i do chroí  
(Will You be my guidance  
In my words and actions?  
Stay with me forever  
And keep me on the right path  
As my Father take care of me  
And listen to my prayers  
And give me a place  
To live inside Your heart)
