We gotta' fight for The World Cup
Go and Compete

We'll prepare and go, and do our best
we'll put 'em under pressure
The game is about being affective
Being aggressive winning the ball
Getting on with the play
We'll put 'em under pressure

We're all part of Jackie's Army
We're all off to Italy
And we'll re-shape the map
When we win The World Cup
'Cos Ireland are the greatest football team!

Put 'em under pressure

It's not going to be easy for us
But it's not going to be easy for them either
Re-inflict our game on the people
Put 'em under pressure

You've got a game to win
Put 'em under pressure
