Long Ago,  
Your name a shadow,  
in my dreams, the white  
brave still searching  
Raining Winds, fall apart.  
I believe, your heart

tell me now,  
what you see  
tell me what you feel  
now you're here  
tell me

tell me now,  
what you know  
never let me go  
tell me now  
what you see

Who Cries from the hill?  
the mist creeps from your eyes,  
your banner will promise  
let's remember the start  
I believe, your heart

tell me now  
what you know  
never let me go  
tell me what  
you see  
tell me now  
what you see

tell me what you feel  
now your here, tell me  
tell me now (tell me now)  
what you know (what you know)  
never let me go (let me go)  
tell me now  
what you see
