No more pretending  
No more deny  
When the sun goes down  
Will I know who wears the crown?  
(repeat)

No more deceiving  
No more grieving  
When the sun sinks down  
Will they know who wears the crown?  
(repeat)

Will they know who wears the crown?

There you stood in front of me  
Dressed in glory, white to see  
Spell-bound on the deep blue skies  
Created on high  
Cold and warm, you set one's heart  
'Cause you're the mighty one

Mo bheannacht duit o mo chroí go h-íomláin  
Nach aoibhinn an radharc  
Mo bheannacht duit o mo chroí  
Is gláir do Dhia  
Mo bheannacht duit o mo chroí  
Nach aoibhinn an radharc  
Mo bheannacht duit o mo chroí go h-íomláin  
(All my blessings from my heart to you  
Isn't the view delightful?  
My blessing from my heart to you  
And glory be to God  
All my blessings from my heart to you  
Isn't the view delightful?  
My blessing from my heart to you)

Travel on a journey task  
Expedition, breathless mask  
Vision seen with glaring eyes  
On top of the world  
Trace the footsteps gone before  
Yes, you're the mighty one

Mo bheannacht duit o mo chroí go h-íomláin  
Nach aoibhinn an radharc  
Mo bheannacht duit o mo chroí  
Is glóir do Dhia  
Mo bheannacht duit o mo chroí  
Nach aoibhinn an radharc  
Mo bheannacht duit o mo chroí go h-íomláin  
(All my blessings from my heart to you  
Isn't the view delightful?  
My blessing from my heart to you  
And glory be to God  
All my blessings from my heart to you  
Isn't the view delightful?  
My blessing from my heart to you)
