We are all like an eggshell
Even though sometimes we fall
And break apart
That doesn't mean we can't start
All over
We are all like an eggshell
Even though sometimes I can't tell
Whether I'm breaking in my heart
And sometimes I have to start
All over yeah cuz we're not perfect no
We are all like an eggshell.

I used
I used
2 believe
In u

But now ur gone

We are all like an eggshell
Even though sometimes we fall
And break apart
That doesn't mean we can't start
All over
We are all like an eggshell
Even though sometimes I can't tell
Whether I'm breaking in my heart
And sometimes I have to start
All over yeah cuz we're not perfect no
We are all like an eggshell.
