Just leave me alone.
Just leave me alone,
Don't care if I'm on my own,
Just as long as you're gone.

There's someone standing outside my door,
So I go and open it up.
There you are, you're asking for more,
And I feel like shouting, STOP!
Why don't you leave me alone?
Why don't you leave me alone?

[CHORUS]
I'm feeling happy,
Rising into the sky,
I'm feeling happy,
'Cause I left you behind,
But you don't seem as happy as I am,
So I will tell you this:
Just leave me alone!
Just leave me alone!

You'll never stop following me around,
So what's the use of trying?
And even if you want to bring me down,
I still feel like I'm flying,
Do you think I actually care?
Do you think I actually care?

[CHORUS]

And right now you're probably thinking,
"Do I really deserve this?"
I can say "Yes" truthfully,
You're a person I'm not going to miss!

Just leave me alone,
Just leave me alone!
Why won't you,
Why can't you,
Just leave me alone...

[CHORUS]

Just leave me alone.
Just leave me alone,
Don't care if I'm on my own,
Just as long as you're gone.
