Gotta write a classic  
Gotta write it in an attic  
Baby, i'm an addict now  
An addict for your love  
I was a street boy  
And you were my best toy  
I found it easy to annoy you  
But you were different from the rest  
And i loved you all the wrong ways  
Now listen to my say  
If it changed to another way  
Would the difference make it ?  
Would it be a classic ?  
I gotta send it right away

Gotta write a classic  
Gotta write it in an attic  
Baby, i'm an addict now  
An addict for your love

Back Vocals

(I'm so down)  
(And out of control)  
(Without your love)  
(I'm in love}  
(Came for love)  
(There's no living without you)  
(Deep down i know ... )  
(You're not hearing)  
(The words i say)  
(Gotta write it down)  
(And send it right away)  
Now i'm living my life  
One day at a time since losing your love  
I've been losing my mind  
What more can i see  
The future is so clear

And it's not what i mean  
I mean it's not what it seems  
I just keep living for the dreams

And it's not what i mean  
I mean it's not what it seems  
I just keep living for the dreams

Gotta write a classic ...  
Gotta write it in an attic  
Baby, i'm an addict now ...  
An addict for your love  
Gotta write it down  
And send it right away
