(Course x2)

Our time is now;  
Our time last forever;  
We still stand strong;  
And we're here for each other;  
Never thinking about giving up;  
Cuz than the storm will turn it to rust;

(Verse 1)

So our time is now;  
We going to stand still strong;  
Got eyes on the back of our head;  
Always knowing what's going on;  
There's no such thing as sneaking or back stabbing;  
Cuz if there is better get your ass to stepping;  
Cuz our time is now we ain't anywhere;  
so open your eyes and you better be aware;  
Cuz if your not we knocking down doors;  
Best be on the train now come on all aboard;  
Got the reputation of Doin' My Own Thang;  
Cuz our time is now like I been saying;  
Hey hey hey it's your boy double dash C;  
Coming over here like you wanna be me;  
Hola back its double dash Cing Cas;  
Real fast put your face in the grass;  
And keep on a flowing;  
Keep on a flowing and ima keep on going;  
Showing off my skills like you already know it;  
Poet didn't know it and ima keep on flowing;

(Course x2)

(Verse 2)

We stay together like a unity;  
Fuck with one you get the whole community;  
We an ice burg sitting in the ocean;  
Best believe when we hit you'll feel the motion;  
With your neck jaw and your bones a snapping;

Whipping up your blood with an old ass napkin;  
Our time is now it's defiantly ain't yours;  
Watch my fist watch what they can pour;  
From your face hitting up on the grass;  
Cuz Cing Casper came through whooping your ass;  
Holding it down always tight;  
Our time is now nighty-night;
