Liz: "Wait Max! Uh, did you really mean everything you said

when we were alone tonight?"

Max: " I don't remember.. what did I say? I didn't mean to ruin

your night"

Liz: "You didn't"

I can feel it coming in the air tonight, Oh lord

And I've been waiting for this moment for all of my life,

Oh lord

Oh lord

Well I remember, i remember don't worry

how could i ever forget

it's the first time, the last time we ever met

but I know the reason why you keep the silence up

no you don't fool me

the hurt doesn't show, but the pain still grows

It's no stranger to you or me

I can feel it coming in the air tonight oh lord

and I've been waiting for this moment

(fades under the music)
