Visit "[Nowhere Man](#)" on [MotoLyrics.com](https://www.motolyrics.com)

I'm living fast - that's how I am  
I'll be never a nowhere man  
Stand up and fight to make a stand  
I'll be never a nowhere man

Hey you - live the road ahead  
Hey you - you can rest when you are dead  
Hey you - don't you be afraid  
Hey you - there is no more time to wait

Don't be messin'  
Just leave 'em guessing  
You can be free  
Don't you believe me

I'm living fast - that's how I am  
I'll be never a nowhere man  
Stand up and fight to make a stand  
I'll be never a nowhere man

Hey you - time to turn around  
Hey you - you can tear the borders down  
Hey you - you are strong not weak  
Hey you - you should wake up from your sleep

Don't be messin'  
Just leave 'em guessing  
You can be free  
Don't you believe me

I'm living fast - that's how I am  
I'll be never a nowhere man  
Stand up and fight to make a stand  
I'll be never a nowhere man
