Don't be a fool girl
He's taking you all the way
We have gone to burn you up
You've all gone to burn me up
Got to, real life
You make me feel so stupid
I wish it was five minutes before yesterday
Do you remember the time we were gonna
Do that? [Sweetheart, come here]
Bring me all your food and I won't kill you
Darling, darling
Do you wanna fuck me?
No. Bring me all your food.
Don't be a fool girl
The lotto made our American dream come true
Don't go in the water
Darling, darling
Got to, it's real life [Hey sugar]
Come on, come on, come on, come on
Come on, come on...
I don't remember what it was like yesterday
Was there a yesterday?
G-force, \$8.99
\$79.95
The ice ballet, Sleeping Beauty
She's a real jogger
What becomes a mirror shade most [Huh?]
Come on girl
We're gonna burn you [What's that?]
You're contaminated
Something's out there, look
Don't you see?
Something used to be out there [I swear]
I have it all in this book
Do you wanna fuck me? [sure]
We used to go to the place
Tell you what I'm gonna do
I'll make you an offer
Don't do that
What's it gonna be ya, pal?
Don't be a bully just cuz I'm a girl

Do I make you feel silly?
Is he the tall one?
I'm sorry, I didn't mean it to sound like that
Honey, you can pick up that phone, call Papa
And all your troubles will be over
I just hope it was worth it
As soon as the sun goes down
He's going into town
And he's gonna play pool
Got to, it's real life [Yeah]
She always told me you would
Somehow I didn't believe it
I'll tell you one thing though
I think it's gonna rain tomorrow
