Why can't we dance in the same groove every day?  
My step starts from 6 to 1, from 6 to 1  
You may make fun of my honesty  
But I think consciousness is the same in space  
In space, in space, in space

I'm living in the second world  
I'm living in the second world

I'm watching you, watching you  
Watching you from the second world  
I'm watching you, watching you  
Watching you from the second world

Don't complain about it, baby  
I can not be perfect for you  
Still learning every Sunday  
I just spend, I just spend  
I just spend every Sunday

Every Sunday  
Every Sunday  
Every Sunday  
Every Sunday
