The look of love is in your eyes
The look the time can't disguise
The look of love, its saying so much more
Than just words could ever say
And what my heart has heard
Well, it takes my breath away

I can hardly wait to hold you
Feel my arms around you
How long I have waited
Waited just to love you
Now that I have found you.

The look of love it's on your face
A look that time can't erase
Tonight, tonight
Let this be just the start
Of so many nights like this
Let's take a lover's vow
and seal it with a kiss.

I can hardly wait to hold you
Feel my arms around you
How long I have waited
Waited just to love you
Now that I have found you
