Would I be the one to bring back the tears from your  
eyes?

Would I be the one to bring back the tears?

Would I be the one to bring back?

Would I be the one to bring back the tears from your  
eyes?

Is it what I want to scrape off the juice from your boots  
now?

Is it what I want to scrape off the juice from you?

Would I be the one?

Would I be the one?

Would I be the one?

Would I be the one?

Would I be the one?

Would I be the one?

Is it what I want to scrape off the juice from your boots?

Is it what I want to scrape off the juice?

Is it what I want to scrape off?

Is it what I want to scrape off the juice from your boots?

Is it what I want to be had like a bull by the horns now?

Is it what I want to be had like a bull?

Is it what I want to be had like?

Is it what I want to be had like a bull by the horns?

Is it what I want?

Is it what I want?

Is it what I want?

Is it what I want?

Is it what I want?

Is it what I want?

Would I be the one?

Would I be the one?

Would I be the one?  
Would I be the one?

Would I be the one?  
Would I be the one?
