-intro-

-verse 1-

You! Open the door.
It's an empty room.
Open it again.
And feel the pain.

-bridge-

All the memories (all the memories)
All the tragedies (all the tragedies)
All the agonies (all the agonies)
All the miseries (all the miseries)

-chorus-

Empty, so empty, is this room.
There are just reaper waiting you.
You can't just try to close the door.
You can't hide from it anymore.

-verse 2-

You! Close the door.
It's an empty room.
Close it tight.
You did it right.
