-intro-

-verse 1-

I have heard it so many times!
Behind my back, you're telling lies!
Lies about me, lies about my friend,
I'm getting mad, so this is going to end!

-bridge-

-chorus-

You gave me hell, put me to a cell,
Destroyed my mind, wonder why I ain't kind.
Fucked me over, asked for cover,
Leave me alone, to my home!

-verse 2-

You're wasting my time!
(I'm gonna thrill you!)
You're disturbing my life!
(I'm gonna kill you!)

-break (no instruments)-

And that is not nice, your eyes will bleed,
That's what I don't care, I will cut your feet.
Want for more? I can give you SOME EXTREME GORE!
