-verse 1-

You're an asshole, disease to society,

You're nothing but a mole in your head.

I wish death to you, and I give you two words:

FUCK YOU!

We don't need you!

We don't like you!

No one sees you!

So FUCK YOU!

I give you two words,

That will make you hurt.

I give you two words,

FUCK YOU!

-verse 2-

And I'm gonna tell you what you are:

You are zero, anti-hero, nothing!

Du Åxr ingenting! Olet tÅxysi nolla!

I want you to FUCK YOU!

-verse 3-

There ain't nothing that I wont do,

Because I want to get rid of you.

I hate every last thing about you,

I want you to FUCK YOU!
