The time is right  
You hold me tight  
And love's got me high

Please tell me, yes  
And don't say no, honey  
Not tonight  
I need to have you next to me  
In more ways than one

And I refuse to leave  
Till I see the morning sun  
Creep through your window pane  
'Cause love won't let me wait  
Not one more minute, baby

The time is right  
Turn down the lights  
And take my hand

We'll take a flight  
And spend the night  
In a wonderland

Now move a little close to me  
You owe it to yourself  
And I will selfishly  
Take a little for myself  
And it's because of you  
That love won't let me wait

No, listen girl

I need your love so desperately  
And only you can set me free  
When I make love to you  
We'll explode in ecstasy  
And I won't take the blame  
That love won't let me wait

No, love won't let me wait  
Temperature's risin

'Cause you're so tantilizin'  
(Love won't let me wait)  
Awww listen girl  
Love won't let me wait
