Hey, everybody, everybody
Have you been informed
Hey, everybody, a new dance
Has just been born

And I know you
Can do it too
And then the grooving
Begins to move

Cause he's got it
She's got it
They've got it
Oh, and I've got it
So, you better get it
I mean the Matador

Listen, people
People, listen
Listen to what I say
Listen people to
What the music plays

Cause the music will
Go right through you
And I know that
It's gonna get to you

Cause he's got it
She's got it
They've got it
Oh, and I've got it
So, you better get it
I mean the Matador

Yeah, cause it's alright

Cause the music will
Go right through you
And I know that
It's gonna get to you

Cause he's got it
She's got it
They've got it
And now you've got it
So, lets get together
And do the Matador, yeah

Do the Matador
Can be a big strong lion
Oh, do the Matador
I say the Matador
