Reach for the stars
First you got to have a vision
Reach for the highest
If you could see it, you could be it
And I know you can get there
One day yea yea, one day yea yea

Reach for the stars
First you got to have a vision
Reach for the highest
If you could see it, you could be it
And I know you can get there
One day yea yea, one day yea yea

When the sun sets, the moon shines Her Instagram pics stop time Mascara runnin' down her eyes And she keep the payment short And while she lookin at her stomach in the mirror She $ain \hat{a} \in \mathbb{T}^{m}$ t like the way, she look so, she got a tummy tuck for the summer And as ironical, moronical, we all wanted a piece of She used to roam the block and $l\hat{a} \in \mathbb{T}^{m}$ d do anything to get to her $\hat{a} \in \mathbb{T}^{m}$ cause hip-hop got the toll on me And still one time killing me softly But welcome to the school where everybody keep a

sawed off
And dude took his own life
He didn' t wanna get bullied no more
Young world – you gotta be strong
Just when you wanna give up that' s when a star is born

Reach for the stars
First you got to have a vision
Reach for the highest
If you could see it, you could be it
And I know you can get there
One day yea yea, one day yea yea

Reach for the stars
First you got to have a vision
Reach for the highest
If you could see it, you could be it
And I know you can get there
One day yea yea, one day yea yea

My brothers was the greatest debaters, they used to debate philosophy

Ever since Obama won we been having a tea party

And now Mr. Jackson found where my daughter' s

And now Mr. Jackson found where my daughter' s singing her ABC' s

And now $\hat{la} \in \mathbb{T}^m$ m sippin wine in the house thinking of Remy

Teenage love, look at them whole heads Theyâ \in [™] re from the school of rock, battle of the bands So if youâ \in [™] re ever down, listen to this song You donâ \in [™] t want em singing about a star is born

Reach for the stars
First you got to have a vision
Reach for the highest
If you could see it, you could be it
And I know you can get there
One day yea yea, one day yea yea

Reach for the stars
First you got to have a vision
Reach for the highest
If you could see it, you could be it
And I know you can get there
One day yea yea, one day yea yea

I know

I know oh oh oh

I know

I know oh oh oh

I know

Reach for the stars!

I know oh oh oh

Alriaht

I know

Reach for the stars!

I know
