Cada día que pasa me enamoro
Mas de tã me provoca besarte no me
Puedo resistir soy adicto a tãº aroma a tãº labios y a tãº piel
Cada instante quisiera tenerte y hacerte mi mujer
Yo quisiera viviirrr amã;ndoteeee...
Me quisiera dormir besã;ndote
Despertarr adorã;ndote para volver nuevamente a hacerte el amor
Yo quisiera vivir amã;ndote
Despertar... excitã;ndote...para volver nuevamente a hacerte el amor
you are the blood that flows through my veins
we attract each other, we are soul mates
i feel like the happiest being on this earth
because i have you at my side my love
the tenderness with which you conquer me with your affection fascinates me
i am a masochist, i would like to stop time
i am dreaming, i wake up
Me quisiera dormirr besã;ndoote
Yo quisiera vivir amã;ndote
Despertarr... excitã;ndote para volver nuevamente a hacerte el aamor
i want to be together 100% with you for the rest of our lives
we win nothing with aruging if we love each other
lets let the pride die, lets try to avoid the arguments
lets let the union of our bodies .. everything disappears
Me kisiera dormirr besã;ndote
Yo kisiera viviir amã;ndote
Despertarr...
Para volver nuevamente a hacerte el amor.
