You always made mistakes
And now you wanna apologize
Boy, you don't got what it takes
Why am I not surprised
You've always done it again and again
Boy, you don't give up
And you never give in
But your time was up

But instead
You fog my mind
You confuse my head
You know that I
Will always be your friend
Just so you know
This is not the end
The end will be
When we die
There will be
No suicide

And don't forget I might be gone forever
Forever and ever
With someone new
And never, never
Be with you
You treated me wrong
Here's the facts
But I've moved on
And that is that

You're so lazy
So insecure
Call me crazy
But I know I'm sure
You said you couldn't love me anymore
But this time I'm walkin out the door
You left me crying on the floor
Including it was my heart you tore

And don't forget I might be gone forever
Forever and ever

With someone new
And never, never
Be with you
You treated me wrong
Here's the facts
But I've moved on
And that is that

When I'm gone it don't mean I'll die
When I'm gone I mean goodbye
