There were kidnappings  
You were so scared  
You wouldn't listen  
Cuz you never cared

What you were missing  
You want it back  
There were some things  
You said, that you want to take back

Now do you see  
That I'm on the run  
No more we's, no more you and me  
Now it's just begun  
And you're denyin  
That I'm ok  
But inside I'm dyin  
And there is no other way

No other way to use  
No other way to be strong  
Never knew you had a thing to lose  
Now it's time for me to move on

Baby, you took the road  
You took the risk  
There's no where for me to go  
When it comes to this

Now do you see  
That I'm on the run  
No more we's, no more you and me  
Now it's just begun  
And you're denyin  
That I'm ok  
But inside I'm dyin  
And there is no other way

No other way to go  
No, I won't admit  
You're not gonna know  
That it's you I miss

No, no

How would you feel if I run away  
So you won't see me for another day  
Another year  
Another decade  
You'll shed another tear  
Another teardrop will fall  
Cuz I gave you my all

Now do you see  
That I'm on the run  
No more we's, no more you and me  
Now it's just begun  
And you're denyin'  
That I'm ok  
But inside I'm dyin'  
And there is no other way

No other way to turn  
No, you just can't believe  
There's another bridge to burn  
Yes, I will leave

Baby, there is no other way
