hey cheekbones and eyes  
I've been gone three weeks  
now I'm a mess  
my stomach's on strike  
and it's been three weeks  
since my last breath  
well I don't know why I'm here  
'cause I'm not in need of attention  
and I'm not seventeen  
and I don't believe  
in that which I can't see  
well I swear  
if I make it home with my mind and some skin on my  
bones  
I'll be the first one to throw up  
these car keys and this cell phone  
so I can't leave or talk to anyone  
and this stupid wristwatch  
so I'm unaware of the time that I've lost  
I'm trying to be that which I'm not
