say what you mean
the fog's low croak says froggy
as the weather sets the day
(dddt dddt dddt dddt dddt dd)
i say "aiiiyayaerr ayiyiyiyaiiyayer"
(dddt dddt dddt dddt dddt dddt)
the flower's wrapped up in fences
like the sex lives of the politicians
i say "aiiiyayaerr ayiyiyiyaiiyayer"
(dddt dddt dddt dddt dddt dddt)
say what you mean
the cat's barkin' and chirpin'
over weather saves the day
(dddt dddt dddt dddt dddt dddt)
i say "aiiiyayaerr ayiyiyiyaiiyayer"
(dddt dddt dddt dddt dddt dddt)
i see spotted perfection
in the trip of every step
no idea of death
while this web catches rain
there's grass in the sidewalks cracks
these politics in your porn
there's grass in the sidewalks crack
(dddt dddt dddt dddt dddt dddt)
i see spotted perfection
in the trip of every step
no idea of death
while this web catches rain
and daylight brings the deepest dreams
when thing's seem as they're seen
this couch is a flowerbed
daylight brings the deepest dreams
when thing's seem as they're seen
