[Verse - Willie]

Life is such a crazy thing,
It's never really what it seems,
Cause first we were chillin,
Now I'm catchin feelings
Can you tell me what this means?
I'm going through my voicemail,
And I'm saving every message you sent
I trying to read between the lines,
To see if there was somethin' I missed.

[Beat section - Brian A.]

All of a sudden, my vision became so clear.
Everything I needed was right here,
Before me (before me)
So pressed to let you know
Just how you make me feel
Never had a feeling that's so real
Control me. (and I'm ready, girl I'm ready)

[Chorus]

Don't wanna play no games,
I want you exclusive,
Baby, we should just do this,
With the feeling's so strong,
How can we go wrong?
No games, I want you exclusive
There's no more excuses
The feelings so right
I want you girl, I need you girl

[Verse 2 - Willie]

I really love your company,
Hate it when you gotta leave
Another oppurtunity,
For me to say everything.
So tell me if I'm buggin,
When you look at me like that (like that).
I wanna say something,
But I don't know how your gonna react.

[Beat Section - Robert]

All of a sudden, my vision became so clear.
Everything I needed was right here,
Before me (before me)
So pressed to let you know
Just how you make me feel
Never had a feeling that's so real
Control me. (and I'm ready, girl I'm ready)

[Chorus]

Don't wanna play no games,
I want you exclusive,
Baby, we should just do this,
With the feeling's so strong (strong)
How can we go wrong?
No games, I want you exclusive
There's no more excuses (no more excuses)
The feelings so right
I want you girl, I need you girl

[Hook - Brian A. & Julius]

Ohh, you knew it all along,
What was going on,
Let me stake my claim
Before it's too late
I don't care how this may sound,
But you need to know right now.
So I might as well just come on out and tell ya.

[Beat section - Big Mike]

All of a sudden, my vision became so clear.
Everything I needed was right here,
Before me (before me)
So pressed to let you know
Just how you make me feel
Never had a feeling that's so real
Control me. (and I'm ready, girl I'm ready)

[Chorus 2x]

Don't wanna play no games,
I want you exclusive, (exclusive)
Baby, we should just do this, (baby lets do this)
With the feeling's so strong (so strong)
