Love grows cold
Love grows cold

I don't know love
I don't know love
I don't know love - I don't know love
I don't know love

Love grows cold
Love grows cold

I don't need love
I don't need love
I don't need love - I don't need love
I don't need love

Love grows cold
Colder than love

I don't need love
I don't need love
I don't need love - I don't need love
I don't need love

Love grows cold
Colder than love

And I just don't know
I just don't know
And I just don't know
And I just don't know
I don't know
