Is it too much  
Is it too much to ask for something more  
I thought I knew  
I thought I knew but now I'm not so sure  
It's all the same  
It's all the same as it was before  
Is it too much  
Is it too much to ask for something more

And I don't know where you are tonight  
But if you want to take me back  
And I don't know where you are tonight  
But if you want to take me back

Need something  
I need some more give me back before  
It's what I feel  
What I feel right now is ten times more  
It's all the same  
It's all the same as it was before  
Is it too much  
Is it too much to ask for something more

And I don't know where you are tonight  
But if you want to take me back  
And I don't know where you are tonight  
But if you want to take me back
