I'm trying to forget who I was
All the things I did and said
I'll have nothing more
To do with them
So pack your bags
Turn out the lights
And run away with me tonight

[Chorus:]
Uh-oh, I just wanna go home
Please take me back
To the place that I know
Uh-oh, I just wanna go home
Please take me back
Please take me back

I'm dyin just
To get the hell out of here
Don't take me back to where I was
Just bring me to the place I love

(Chorus)

No regrets cause I
I'm set
