Hold on, brother hold on
The road is long, we're on stony ground
But I'm strong, and you ain't heavy
Oh there's a misspoken truth that lies
Colors don't bind, oh no
What do they know? They speak falsely

Here in my home
I'll tell you what it's all about
There's just one hope here in my heart
One love undivided
That's what it's all about
Please won't you fall in one by one by one with me?
(Fall in~ Fall in~)
Fall in with me
(hmm... fall in~)
Fall in fall in fall in with me

Push back sister won't you push back?
Love won't wait, just keep pushing on
Yeah I'm strong, you ain't heavy
Oh don't you worry about that...
What we have shadows can't deny
Don't you know it's now or never?

Here in my home
I'll tell you what it's all about
There's just one hope, here in my heart
One love undivided
That's what it's all about
Please won't you fall in one by one?
