Each time
I look into your eyes
I see that there
There heaven lies
And as I look
I see the love of the loved

Someday they'll see
That from the start
My place has been
Deep in your heart
And in your heart
I see the love of the loved

Though I've said it all before
I will say it more and more
Cause I'm really sure
You love me

And I know that from today
I will see it in the way
You look at me
And say you love me

So let it rain

What do I care ?
Deep in your heart
I'll still be there
And when I'm there
I see the love of the loved

Though I've said it all before
I will say it more and more
Cause I'm really sure
You love me

And I know that from today
I will see it in the way
You look at me
And say you love me

So let it rain
What do I care ?
Deep in your heart
I'll still be there
And when I'm there
I see the love of the loved
