You're my world  
You're every breath I take  
You're my world  
You're every move I make

Other eyes see the  
Stars up in the sky  
But for me they shine  
Within your eyes

As the trees reach  
For the sun above  
So my arms reach out  
To you for love

With your hand  
Resting in mine  
I feel a power so divine

You're my world  
You are my night and day  
You're my world  
You're every prayer I pray

If our love ceases to be  
Then it's the end of  
My world for me

With your hand  
Resting in mine  
I feel a power so divine

You're my world  
You are my night and day  
You're my world  
You're every prayer I pray

If our love ceases to be  
Then it's the end of my world  
End of my world  
End of my world for me
