"Break My Heart"

You're gonna break my heart I know it
But if you don't
You're gonna break my run of unhappiness
And destroy my career
I'd rather feel full than sing these shit songs
I'll sell my guitar and never look back

You're gonna break my heart I know it
And when you do
I'm going to run to the country and plug my ears
I'd rather have you than sing these shit songs
I'll sell my guitar and get an education
And never look back

You're gonna break my heart I know it
If you don't break my heart, I'll do it myself
And when I do
I'm going to count all the numbers for all the years
If I don't have you I'm condemned to sing shit songs
I'll fuck my guitar and drink myself deaf
It'll be an education and I'll never look back

I don't want to sing these shit songs anymore
