She said "These walls are just a prison, man.
A way to cage your mind."
He said, "I don't think that you get it ma'am
I'm not here doing time.

You see this music is my canvas
And this guitar is my brush."
She said "the world is ever-changing
While you're in here losing touch.

And if you don't come then I'll go without you.
And if you don't come then I'll go without you.

(Chorus)
Come on, Come on
Letting life just pass you by
Come on, Come on
Looking back you'll wonder why

She said, "Just stop and smell the roses, man
You're missing out on life."
He said, "I've seen things that you can't believe.
This life won't pass me by.

And yea, I think that I've got everything
I'm gonna need right here."
She said "If you don't get up off your ass
I'm gonna disappear.

And if you don't come then I'll go without you.
And if you don't come then I'll go without you.

(Chorus)
Come on, Come on
Letting life just pass you by
Come on, Come on
Looking back you'll wonder why

(Instrumental Break)

(Chorus 2x)
Come on, Come on

Letting life just pass you by
Come on, Come on
Looking back you'll wonder why
