Bloodstained... warriors revealing the rage  
Burning, Burning  
Marching to the unknown / battalions of death  
Killing, Killing

Into my blood there is poison, the poison of sin  
A seed of death  
Taste the blood, when creatures of darkness arise  
Again, Again

[Bridge]  
Strange ways to carry on  
Living inside this war  
Burning up the sky, up the heaven  
These strange ways to carry on

[Chorus]  
Evil Arise  
Barbarian Wrath

Awakening, revealing the symbols of hate  
Burning, Burning  
Searching for the answer in the eyes of the victim  
Killing, Killing

Into my soul there is evil, and evil will plant  
A seed of death  
Taste the fear, when the platoon begin it's march  
Again, Again

[Repeat Bridge, Chorus]

Blood  
They march after the fall of the dawn  
Killing Again  
Raping Again  
No fear is in their hearts  
Ways of the hate  
Ways of the insane  
Warriors of the Rage

Withstand at the war, feel no pain under the horizon

In the silent morning an endless drum will sound  
Returning home, tired bodies with scars on their faces  
In the silent morning an endless drum will sound
