Waiting for the night  
Waiting for the almighty silence  
They live into mystery  
Obscured by / the unearthly shade  
A promise that will never be:  
Broken  
The enemy is just called "the light"  
And they / feel the wine of life  
Supreme, their power is stronger than all  
Castles will fall  
Bewitched, Unblessed, Ungrace  
Evil will call then when the

NIGHT FALL  
See the moonspell  
NIGHTFALL  
Bark at the Moon

Iconoclasts achieving the mistery of the wolfman  
Behind the mirror they live  
Under The Law of the Sword

Changing / A fate that will never return  
A corpse without soul  
A cry... just a lonely cry  
... And your life will be mine when the

NIGHT FALL  
See the moonspell  
NIGHTFALL  
Bark at the Moon

Draconian reign will prevail
