Marching, Killing  
Observing the mist on the field  
Bloodstained Hero  
Achieving the boundary of pain

Kill them...  
The planet on melted lead  
Forsaken bodies on the mountain range

Skeletons  
Impaled children and rain  
Morbid Visions  
Promoting the everlasting pain

The monster will be unleashed  
Give them hell, take no prisoners

[Bridge]  
You will kill  
You will fight with a braveheart  
The discipline of steel  
You will die  
You're stabbing in the shadows  
The discipline of steel

[Pre-Chorus (Canticle)]  
Marching on the sand  
Sword is on my hand

[CHORUS]  
Wash away your soul in the bloodline  
You're a brave, No fear inside  
Blessed by fullmoon  
Fighting under dark horizons  
Against the coldest winds  
Revenge, Summoning the braves  
Wash away your soul in the bloodline  
You're a brave, No fear inside

Marching, Killing  
Observing the mist on the field  
Bloodstained Hero

Achieving the boundary of pain

Kill them...

The planet on melted lead

Forsaken bodies on the mountain range

[Repeat Bridge]

[Repeat Chorus]
