Iâ€™m running free
But I ainâ€™t got no time to fly
And I can see
But tomorrow maybe Iâ€™ll be blind
I met a man with a cup
Looking pretty beat up
He stared straight into my eyes
He said today you may be rich
But tomorrow youâ€™ll be poor
And the next day you could die
I said itâ€™s easy come
And itâ€™s easy go
Donâ€™t go cryin on my shoulder
Cause I won and I lost
More than you could know
I always find a way
To make it through another day
Cause when all you gotâ€™s
Your pride
Ainâ€™t nobody gonna take it away
Iâ€™m moving fast always feeling two steps behind
Forget the past
Cause itâ€™s the only way to ease my mind
Some fortune telling lady
With her face a little crazy
Stared straight into my eyes
She said Iâ€™d love to help you son

But this one you canâ€™t out run
I sure as hell
Can give it a try
Cause itâ€™s easy come
And itâ€™s easy go
Donâ€™t go crying on my shoulder
Cause I won and Lost
More than you could know
I always find a way
To make it through another day
Cause when all you gotâ€™s
Your pride
Ainâ€™t nobody gonna take it away
Take it one breath at a time

Cause we're all just walkin the line
I'll be doin just fine
When tomorrow's out of sight and out of mind
Cause it's easy come
And easy go
Don't go cryin on my shoulder
Cause I won and lost
More than you could know
I always find a way
To make it through another day
Cause when all you got's
Your pride
Ain't nobody gonna take it away, yea
Cause it's easy come
And it's easy go
