Waiting at the station  
tears filling up my eyes  
sometimes the pain you hide  
burns like a fire inside

look out my window  
sometimes its hard to see  
the things you want in life  
come and go so easily

she took the last train,  
out of my heart  
she took the last train,  
and now i think i'll make a brand new start  
she took the last train,  
out of my heart

Watchin the days go by  
Thinkin about the plans we made  
days turn into years  
funny how they fade away

sometimes I think of those days  
Sometimes I just hide away  
Waiting on that 9:20 train  
waiting on a memory

she took the last train,  
out of my heart  
she took the last train,  
and now i think i'll make a brand new start  
she took the last train,  
out of my heart

My lady's on the fly  
and shes never coming back  
my love is like a steam train  
rolling down the tracks

she took the last train,  
out of my heart  
she took the last train,

and now i think i'll make a brand new start  
she took the last train,  
out of my heart
