Lightning strikes before my eyes
Makes them burn, makes them blind
I can catch what they throw at me
Heaven's fire sets me free

It's easy come and it's easy go
Don't ya know, yeah
When I'm down and I'm feelin' low

My second wind gets me strong
I'm right back where I belong
My second wind I can't go wrong
I take what's mine then I move along, yeah

Take my heart take my soul
Take my rock I still roll
T-t-take what you like
Knock me down and watch me strike

It's easy come and it's easy go
Don't ya know, yeah
When I'm down and I'm feelin' low

My second wind gets me strong
I'm right back where I belong
My second wind I can't go wrong
I take what's mine then I move along, yeah

It's easy come and it's easy go
Don't ya know, yeah
When I'm down and I'm feelin' low

My second wind gets me strong
I'm right back where I belong
My second wind I can't go wrong
I take what's mine then I move
