CINDERELLA:

Cinderella, Cinderella
All I hear is Cinderella, from the moment I get up
till shades of night are falling
There isn't any letup, I hear them calling, calling
Go up and do the attic and go down and do the cellar
You can do them both together
"Cinderella."

How lovely it would be
If I could live in my fantasy
But in the middle of my dreaming
They're screaming at me
"Cinderella!"

JACK:

Every time she'd find a minute
That's the time that they begin it
Cinderelly, Cinderelly

STEPSISTERS:

Cinderella!

JACK:

Cinderelly, Cinderelly
Night and day it's Cinderelly
Make the fire, fix the breakfast
Wash the dishes, do the mopping

GIRL MICE:

And the sweeping and the dusting
They always keep her hopping

JACK:

She goes around in circles
Till she's very, very dizzy
Still they holler

GIRL MICE:

Keep a-busy Cinderelly!

We can do it, we can do it
We can help our Cinderelly
We can make her dress so pretty
There's nothing to it, really
We'll tie a sash around it
Put a ribbon through it
When dancing at the ball
She'll be more beautiful than all
In the lovely dress we'll make for Cinderelly

Hurry, hurry, hurry, hurry
Gonna help our Cinderelly
Got no time to dilly-dally
We gotta get a-goin'

GUS:
I'll cut with these scissors!

JACK:
And I can do the sewing!

GIRL MOUSE:
Leave the sewing to the women
You go get some trimmin'

GIRL MICE:
And we'll make a lovely dress for
Cinderelly!

GIRL MICE & GUS:
We'll make a lovely dress for
Cinderelly!
