You seem to have a way with me
A way with words
Baby sing to me
Never felt safer than wrapped up in your melody

Your face it haunts
I see it more and more
Can't seem to get enough
You have a way, a way
A way with me

It's undeniable
You're unbelievable
Baby I know that you're out of this world
Don't know what to say
Don't know what to do
Somehow I find myself
Caught up in you
Caught up in you

Leave a message for my heart
It's been preoccupied from the start
If this is a dream
I'll sleep and never wake up

People say this feelings just not real
But I don't care 'cause this is what I feel
You have a way, a way
A way with me

It's undeniable
You're unbelievable
Baby I know that you're out of this world
Don't know what to say
Don't know what to do
Somehow I find myself

So lets drive into the night
'Cause anywhere will be just fine
Lets get lost in the moment and never return
'Cause baby I'm caught up in you
Caught up in you

I'm caught up in you
Caught up in you

Yeah it's undeniable
You're unbelievable
Baby I know that you're out of this world
Don't know what to say
Don't know what to do
Somehow I find myself
Caught up in you
